2007—Year in Review

Barb Gates, President

As the end of another year approaches I can't help but look back and reflect on what's happened. When I look back at 2007 I see a year that was abuzz with the energy of many, many people—selfless activity, heart-felt efforts and a true dedication to help the hounds we all hold so close to our hearts.

It was another year of adopting, fostering, arranging for and driving on hauls, making coats, attending special events, coming up with greyt new ideas and helping to implement current ones, hosting and attending M&Gs, updating the website, donating money, wrapping books, writing articles for the newsletter, publishing the newsletter, helping to educate the public about how greyt greyhounds are, providing insight and a helping hand to new adopters, petting hounds when they can use the love...I could go on and on...

And what were the results? GPA—MN experienced success in many areas, all working to help us place hounds into their forever homes. Read on to learn of just a few of the other accomplishments of the past year:

GPA—MN 2008 Board of Directors

Barb Gates, President

As we welcome the New Year and all of its possibilities I'd like to introduce you to the 2008 Board of Directors. We have two new members this year – Nicole Middlecamp and Susan Spiller. We are thrilled to have them on board and look forward to working with them.

I'd like to extend a special thanks to our departing members – Teri Petrin and Brian Clark. Their spirit and dedication will be missed on the Board, but welcomed elsewhere—we'll continue to see them involved in adoptions, hauls, coat-making, special events and more. Thank you Teri and Brian!

Read on as the Board members introduce themselves.

GPA—Minnesota's

Mission Statement

Greyhound Pets of America—Minnesota is the Minnesota chapter of a national non-profit, all volunteer organization dedicated to finding loving, responsible homes for retired racing greyhounds and also younger greyhounds that haven't been successful at the various tracks throughout the country. We also take great pride in educating the public that retired racers make excellent, loving pets.

2nd Annual GPA Art & Craft Sale—Thank ROO!

Susan Spiller, Holly Deering, & Ann Moe, Art & Craft Sale Coordinators

Hope Santa will leave one of these fine crafts in my stocking!

Thank you to all who made the 2nd Annual Sale a HUGE success – the many generous donors of Art and Craft, the very serious shoppers, the Greyhound Greeters and Parents, and Duane Atter of The Warren for hosting our spectacular Sale. We sold just shy of \$3,000.00 worth of your beautiful art work which goes directly to finding more loving, forever homes for more greyhounds! You all are amazing!

One SERIOUS shopper!

Board Introductions—Continued

Luana Ball

I will begin my second year of service on the GPA-MN Board Member in January. I have fulfilled the role of secretary during my first year. I look forward to continuing my work with the very talented and compassionate members of the board as well as all of the members of this organization.

I have been in love with the breed since I first set eyes on them at the St. Paul Pet Expo the spring of 1996. I met my sweet Minnie girl at the St. Croix Meadows booth and adopted her within weeks! I learned about GPA-MN soon afterwards and started attending Meet and Greets and other special events in the area. I started fostering in about 1998 and had my first "failure" when I fell in love with my Sammy boy and included him in my pack. I have continued fostering for GPA with close to 35 hounds having passed through my doors. Thank goodness the heart is capable of regeneration as each and every one has taken a little piece of it as I hand the lead over to their new family.

In order to support my greyhound habit, and the environment in which they've become accustomed, I work as the Director of a vocational rehabilitation program, which provides supports to adults with developmental disabilities or mental illness. Hobbies that I share with my greys include cooking (I cook – they beg and win) and gardening (I plant – they pee on and/or dig up)!

I'd like to wrap this up by stating that I am a strong believer in the efforts of this group and am proud to be involved with GPA-MN! I will continue to work hard toward our mission to promote increased awareness of the beautiful greyhound and to successfully place more of them into their forever homes!

Mark Downey

My wife Christine and I have been part of the GPA-MN community for about five years now. We have two hounds, Eleanor and Ringo. This year, I am looking forward to further strengthening the organization through membership involvement, and encourage all members to volunteer in whatever way possible - it's a very rewarding experience. I am just finishing my first year on the board, during which I have served as the organization's treasurer. I am a co-host of the new UrbAnimal M&G, volunteer for events whenever I can, and provide a foster home for dogs coming off the track. Contact me or any of the board members about getting involved!

Barbara Gates Schaben

I am honored to begin my second term on the board. I have had the pleasure of serving in many roles, including PR/Media Chair, GreyFest Coordinator, foster mom, M&G host, former Vice President and as current President. I believe in teamwork and do whatever needs to be done to help out. Professionally, I bring a background in marketing and administration – serving as a public face, creating and writing informational and promotional materials, and juggling and organizing a variety of projects. Personally, I bring a love for my hounds (Arrow and Rider), gratitude to GPA for bringing them to me, and a commitment to help create as many connections and happy futures as I can. I look forward to another great two years!

Chris King

I am looking forward to the second year of my second term on the Board. I have the opportunity to work with some very talented people and together we share the same goal of finding loving homes for retired racing greyhounds. As the Special Events Coordinator, I help identify and organize special events in the community that will provide opportunities for the public to meet greyhounds and find out about greyhound adoption. This coming year, I invite you to identify events in your community that would provide an opportunity for greyhound education. I will be happy to assist you in organizing it and I need all of the GPA members to volunteer for these events. Also, I have enjoyed being an adoption rep, fostering special needs greyhounds and hosting the Burnsville Petco Meet & Greet. It would not be a M&G with my stars, Jacki and Mulsey.

Should your hound be on the Board?

Arrow recently approached the Board about the possibility of adding a greyhound as an honorary board member. He believes the fresh perspective a hound could offer would be helpful as the organization grows and moves forward.

He has asked that we consider him for the position and offers the following qualifications for your consideration.

Arrow

My experience both at the track and in retirement offers me a unique perspective and helps me relate to all involved in the adoption process.

I've been described as an effective communicator—I have learned how to use my facial expressions to express concern, my ears to illustrate my interest (or lack thereof), dramatic sighs to express displeasure or disagreement, and vibrant body language to show enthusiasm or excitement. In addition, I am very strategic in my thinking. I take the time to assess a situation and find a way to get the most desirable end result. I believe this will be an asset to the Board.

I've served as a GPA ambassador while hosting the Chuck & Don's M&G, at book wrapping over the holidays, at various special events, and on a twice-daily basis while strolling around south Minneapolis. In addition, I have taught good manners and squeaky toy playing skills to more than a dozen foster hounds.

I am very grateful to GPA for what it has done for me and would love the opportunity to give back and help other hounds—and humans—as an honorary board member.

Should your hound be on the Board? If so, submit their bio and let us know why!

wynthier@comcast.net

Barb Lund

I will be serving my fourth year on the Board in 2008. It's been a tremendous experience the past three years. I love the new ideas that have blossomed and grown to help the hounds. I have been serving as Board Member-at-large helping out with special projects. This year I hope to improve on a volunteer program – more to come as it develops. I still have Boone and Sweetie. Sweetie will be 13 in April and Boone turns 12 this December. It just seems like they get sweeter and more precious as time goes on.

Nicole Middlecamp

I am very excited to begin serving on the board. In the past 2.5 years since adopting Mardi Gras the party girl, we have adopted another party girl, Sadie. Since getting Mardi I have volunteered in many ways, including fostering, wrapping books over the holidays, volunteering at meet and greets and other grey events, writing the "Did You Know..." column for the *Home Stretch*, and serving as a member of the Fundraising Committee. I currently serve as Haul Coordinator, where I work closely with the Adoption and Foster Coordinators to arrange transportation for incoming hounds. With my background in technical design I bring critical thinking to the picture to help make visions and goals become a reality. I also bring my energy, enthusiasm, and tremendous love for dogs. I'm grateful for the opportunity to put our group's ideas to action for the benefit of greyhounds as a member of the board.

Lisa Quast

I have completed one term as a GPA board member, and it has been a great experience. I have had the opportunity to serve the hounds and membership by coordinating the GreyFest raffle, the "Gasthof's" event, as well as several other fundraising and adoption promotion ventures. I look forward to continuing my service by serving a second term and contributing to the success of the GPA-MN organization.

Susan Spiller

My first contact with a Greyhound was about 12 years ago when a friend of mine adopted two hounds from the Track. It was love at first sight. I now have a delightfully happy and affectionate Jazzy who puts a smile on my face every day. I am very dedicated to promoting greyhound awareness in any way that I can. I have fostered, attend Meet and Greets and special events, write health articles for the *Home Stretch*, and have been and will be very eager to help in any way that I can. My passions in life are the Arts - specifically jewelry, pottery and glass so it just seemed a natural to organize the first and second annual GPA Art and Craft Sale and to organize a GPA booth at the North Arts Art Fair (at which the GPA booth won a prize for "the Best Booth"). I have enjoyed working with all the GPA members and I am amazed at the creativity and dedication within this group. I am much honored to be a member of the GPA Board.

Pat Walsh

I have 2 hounds Mango 10.5 and Aruba 5. I have been on the Board for 3 years.

Senior Stories...More coming soon!

The *Home Stretch* is still accepting Senior Story submissions. In the next issue, LuAnn Yerks shares her beautiful story of three special seniors: Icee, Coz, and Lulu. Snuggle your seniors and consider sharing their story!

Hound Health—Holiday & Cold Weather Safety

Susan Spiller

Chocolate, candy canes, trees, and garland—Christmas represents the joy of giving and peace and love. Unfortunately for some, Christmas also means emergency veterinarian visits for obstructed bowels after the tinsel on the tree mysteriously disappears, chocolate poisoning and turkey bones from the garbage that must be removed from an intestine.

We want your entire family to have the safest, happiest Christmas season possible. Here are some tips for you and may your season be full of cheer!

- Don't forget to spend quality time with the fur-family – sometimes we get so caught up in the activities, that we don't take time for long walks and play sessions with our buddies – which are an excellent de-stressor. Try to keep your pet's world consistent.
- Keep electrical cords and Christmas tree lights away from your hounds – one chomp is all it'll take. You can run cords thru PVC pipe, cover with rugs or put behind heavy furniture.
- Decorate the lower branches of your Christmas tree with things that don't mind being broken, swallowed or pawed.
- If you have a chewer, coat new wires (like the ones for the Christmas tree lights) in bitter apple or another chew deterrent.
- If you are having guests over, try to leave a room available as a "quiet room" for the hounds to escape to – especially if there are a lot of noisy children.
- Put an exercise pen around the tree as a measure to keep really determined dogs out and keep in the tree and goodies.
- Anchor your Christmas tree to the ceiling or wall behind it.
- When ingested by a dog, tinsel and angel hair can cause obstruction of the intestines, and the tinsel's sharp edges can even cut the intestines.
- Ivy, holly, mistletoe and poinsettias range from mildly upsetting to extremely toxic. If eaten they can cause gastrointestinal irritation, nausea, vomiting, diarrhea, drooling, coma, central nervous system or cardiac problems or even death.
- If you have a live Christmas tree, keep the water stand covered so your hound can't

(Continued on page 6)

Make sure your hound has a "safe space" when your family and friends gather at your house for the holidays!

A Special Message:

Hey Everyone- I want to thank all of the wonderful people with their greyhounds who have volunteered for GPA during the past year. Each of you has played an important role in finding a forever home for a retired greyhound.

I want to congratulate all of the new greyhound owners and GPA members during the past year. Also I want to send my condolences to those who have had your greyhound go to the Rainbow Bridge. I miss Billy (Billet) everyday.

Emergency Planning for your Pet—Do you know what to Pack?

The ASPCA put together this list of essential items to include in an emergency pack for your pet. For more information, visit www.asPCA.org and check out their articles on Disaster Preparedness.

- Pet first-aid kit and guide book
- 3-7 days' worth of canned (pop-top) or dry food
Disposable litter trays (aluminum roasting pans are perfect)
- Litter or paper toweling
- Liquid dish soap and disinfectant
- Disposable garbage bags for clean-up
- Dishes for food and water
- Extra harness and leash
- Photocopies of medical records
- Waterproof container with a two-week supply of any medicine your pet requires
- Bottled water—at least seven days' worth for each person and pet
- A traveling bag, crate or sturdy carrier, ideally one for each pet
- Flashlight
- Blanket
- Recent photos of your pets

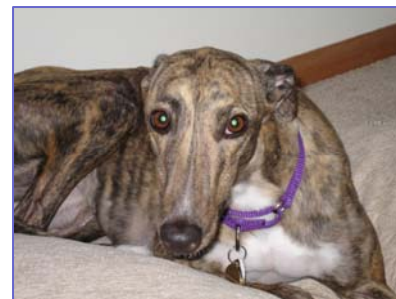

Hound Health—Continued

(Continued from page 5)

drink the water – tree sap mixed with water makes a poisonous drink for your hound.

Some cold weather tips

- Be very careful where and how you store your Anti-Freeze. If ingested by your pet, it can be lethal – even in small quantities. This is a serious medical emergency and should be treated by your veterinarian immediately.
- Hypothermia – when a dog's internal temperature drops below 96 degrees F (by being exposed to cold weather for long periods, or getting both wet and cold), there is a serious risk to the dog's safety. Any sign that a dog is very cold – such as shivering – should be a signal to bring the dog inside.
- Ice melting chemicals and salt placed across sidewalks and roads can cause severe burning to your dog's footpads. Wash the footpads upon returning home.
- Be cautious of fireplaces including ashes and popping wood. These can cause bronchial irritation, burns, skin irritation and digestive distress.

Have a very joyous and safe Holiday Season and let there be Peace on Earth!

Tis the season to share—Sadie and Mardi Gras come to an accord!

2008 Events—Continued

(Continued from page 5)

As GPA enters a New Year, I invite you and your greyhound(s) to volunteer for the coming events. Volunteering for a Special Event is like going to a M&G, but generally the events are larger in size and they target a larger crowd. We all do the same thing whether it is a one-on-one or a crowd and that is we provide an opportunity for the public to meet a greyhound and learn about greyhound adoption.

Special Events Coming in 2008—Mark your Calendar!

- Land O'Lakes Kennel Club Dog Shows- January 4th, 5th and 6th at the St. Paul RiverCenter.
- Minneapolis Women's Expo- January 18th, 19th and 20th at the Minneapolis Convention Center.
- Twin Cities Pet Expo- February 16th and 17th at the Minneapolis Convention Center.
- St. Paul Women's Expo- March 15th and 16th at the St. Paul RiverCenter.

Volunteer and gave a greyt time—contact me at CLKING2130@aol.com.

Wishing you a Happy, Healthy and Safe Holiday and New Year!

In Memoriam

Turner

Well, our sweet boy Turner left us this morning. While he greatly enjoyed visits from two of his favorite people last night, it was obvious that his leg was giving him so much more pain. So we said good-bye to him this morning, and he's running at the Rainbow Bridge with lots of wonderful hounds. We know that Grandma Cassens, Cort's mom, will be taking good care of him now. She always had a special place in her heart for him. So think of your favorite Turner story, and how his tender, gentle spirit touched so many of us. Tho he is terribly missed already, he has indeed left us with so many lovely memories that make us smile through our tears. He will be in my heart forever.

Tree

Tree was a majestic but happy-go-lucky dog. There wasn't anything he didn't like, and he most especially liked running across the yard with the other dogs after a squirrel or pedestrian, and he LOVED snuggling into a dogbed for a wonderful nap. Tree also loved to socialize at the vet – receptionists and technicians lined up to greet him when he went in, and he was in a lot. Several techs each claimed that he was THEIR boy. Tree was 13 years old, and was known for his trademark whipping happy tail, his smiles and grins, rubbing up against your legs, and kisses. What a marvelous way he showed how people how much love greys have to share, and he did make a lot of people think about adopting a grey. He could be so statuesque, with well-toned muscles from all his running, to his beautiful fully silver face. We had fostered several dogs already, and we were asked if we could take either a "pee-er" or a "hump-er". We took the pee-er and ended up adopting Tree as our first ever boy. We sent his favorite toy, a large kid-type stuffed animal beaver, to be with him on his journey to the bridge. Beaver went everywhere with Tree. Tree's race name was "Stump", so that's where we got "Tree" (and "Beaver" - who eat trees) from – a much classier name.
